November Meeting

The third issue of the **Hot Stove League Report** is here and the next meeting is **November 26th 7:00 at the Pub.**

We need all the high school coaches there to pick up tickets. There will also be tickets available for anyone else that wants them

Thank you to everyone that participated in the Habitat build. It was successful and we completed everything that Habitat wanted to achieve for that days build.

Hope everyone had a wonderful Thanksgiving with friends and family.

Hope everyone ate a enough turducken.

What is turducken? It is a **chicken** stuffed inside a **duck** which is then stuffed inside a **turkey**. It's fast becoming a popular recipe for Thanksgiving. Each slice contains portions of chicken, duck, and turkey with stuffing in between the layers. Plan on adequate preparation time. Turducken is not difficult to make, but it is a little time-consuming. The end result is a worthy show-stopper. John Madden loves turducken almost as much as Brett Fave.

News and Highlights

For those of you that could not watch the game since it was on the NFL network, Peyton Manning and the Indianapolis Colts are still trying to recapture their Super Bowl-winning groove.

But they sure looked a whole lot more like themselves Thursday

night. All it took was a trip to Atlanta. Manning threw three touchdown passes, Anthony Gonzalez had 105 yards receiving and the defending champs, after getting stunned with 10 quick points by the Falcons, rebounded for a 31-13 victory.
